What does it mean to have a Kitchen Designer for a Day?

Kitchen Designer For a Day services provides you with expert guidance from us, your Interior Design Partner. Allow us to assist you with parts of the project that you may find especially overwhelming and to help you avoid making costly mistakes.

Services in our 6 hour time blocks may include, but are not limited to:

- Selecting finishes
- Reviewing design plans and layout
- Sourcing plumbing/light fixtures and or appliances
- Meeting with kitchen /cabinet company and/or trade

With our expertise and knowledge, you can feel confident knowing that you have us by your side to assist you in choosing some of the most important key elements for your kitchen design.

What specific selections can you help us with?

During our day together we can assist you in choosing all the main finishes of the kitchen. At the end of our time together you can expect to have recommendations for:

- Cabinetry style and finish
- Hardware
- Countertop and profile selections
- Backsplash & Grout
- Paint / Wall Finishes

Other details we can help with:

- Flooring options such as hardwood, tile and luxury vinyl
- Lighting such as pendants, sconces, chandeliers and lamps
- Review your appliance needs
- Review your cabinetry plans and look for flow, fit and it meets your storage/ personal needs

How is the day structured? Are we together for the full 6 hours?

You get Colleen McNally Interiors for the full 6 hours. To make the most of our time, we pre-plan a schedule based on the goals of your project. Every project is a little different. The hours can be used in one full day or separated in two half days. We spend our time meeting in both your home and local showrooms as needed. In advance of our meeting our team will prepare necessary samples, finishes and research based on the questionnaire you fill out.

Sample Schedule

10:00: Kitchen showroom: Countertop, cabinet details - style/color (borrow any necessary samples)

11:30: Suppliers: Flooring, backsplash, grout and paint selections

1:00: Suppliers: Plumbing fixtures - sink and faucet

2:00: Suppliers: Pendant lighting

3:00: Head back to client's home for review

4:00: Wrap up the day

What are your terms for payment and can we hire you for more than one day if needed?

- We require 100% payment up front to confirm your booking in our schedule.
- After purchasing we will schedule a kick-off zoom meeting to discuss design options and showroom appointment schedule.
- While we always strive to be the most efficient with our time, depending on the size of your project; your specific needs; and how swift you are at making decisions, you may wish to hire our services for another day or a follow-up coaching call. That is no problem!
- We can definitely book and plan the agenda for a second day to ensure you feel confident in all the decisions you need to make.

We are excited!

What are the next steps to get started?
